

Thank you!

We have said Good Bye to all our students, teachers and staff.

Our last day of classes was May 29, 2020.

We have closed our school in Vancouver, in an organized way. Maybe inlingua Vancouver will reopen in the future, under new owners and new management.

We are sorry we were forced to close due to the COVID-19 pandemic. The global restrictions in travel, the health restrictions for our campus operation, the uncertainty of the crisis, the market conditions, to list only a few, were all negative factors we considered in our decision to stop at the end of May 2020.

Contact us if you have any questions or comments.

Thank you for your support. Stay Safe and Healthy!
